

Thursday, 27th December 2018, 9.30 am – 5 pm

One Day Work Shop UCL®

Invitation

To meet and greet your personal Energy Anatomy

Would you like to know more about your light anatomy?
Are you interested in learning how to calibrate your energy?

This one day Work shop offers you a unique option to explore more of your personal energy field, the Universal Calibration Lattice® (UCL) and how it interacts and affects your awareness and your capability to co-create your most enlightened version of your live.

No prerequisites necessary apart from joy and openness to explore.

Are you in for a wonderful, intensive and nourishing day?

EMF Balancing Technique®

One Day Work Shop UCL®

on Thursday 27th December 2018
